

# MEMORANDUM

January 11, 2006

TO: Land Management Staff  
Sand and Gravel Licensee/Lesseees

FROM: Steve Purchase  
Assistant Director, Land Management

Subject: **2006 Sand and Gravel Royalty Rates**

OAR 141-014-0120(3) requires us to annually determine whether the adopted sand and gravel royalty rates should be adjusted. Pursuant to this requirement, we have reviewed the Department of Labor Producers Price Index (#WPU1321) for Construction Sand/Gravel/Crushed Stone and have determined that there will be an increase of 5% for 2006.

The 2006 Sand and Gravel Royalty rates are as follows:

Removal Location	2006 Rate/ Cubic Yard	2006 Rate/ Ton*
Below RM 72 of the Willamette River and Tributaries	90 cents	67.61 cents
Above RM 72 of the Willamette River and Tributaries	61 cents	45.74 cents
Other State-Owned Waterways	57 cents	42.58 cents
Shorecast Dredge Spoils	65 cents	48.89 cents
* Based on an average weight of 2663 lb. per cubic yard per OAR 141-014-0115.		

If you have any questions, please contact me at (503) 378-3805, extension 279.
